### Our Jewish Roots

Shoresh'im Ministries (meaning 'roots' in Hebrew) is one of the UK's fastest growing ministries and has now launched its own website at [www.shoreshim.co.uk](http://www.shoreshim.co.uk). The interactive site helps to advance the ministry's three main aims:

- to promote the biblically Jewish roots of Christianity
- to highlight major issues for intercessory prayer today
- to provide an on-line community 'forum' for open discussion on major issues of the day

The site is open to anyone with internet access around the globe, affording an international reach to approximately 1,407,724,920 people having web access worldwide.<sup>1</sup>

### Interactive Features:

The site offers far more than a simple 'shop window' into the work of Shoresh'im Ministries. It's many interactive features include:

- A **Shoresh'im Teaching** area, where you can read précis about the teaching topics on offer from the Ministry. It also offers specific papers written from a scholarly perspective but with an easy-access style for every reader covering a wide range of topics.
- A **Shomr'im-Watchmen** intercessor's community area where you can get involved in sharing and comparing what you are hearing and seeing in prayer. This offers an open forum for serious praying people and interested observers, who may otherwise struggle to be heard in their local churches.

- A **Resource Centre** where you can read book reviews of some excellent titles to help you in your own Jewish Roots and Israel studies.
- A live '**news blog**' direct from Tiberias in Israel, where you can also post your own comments, questions and opinions about the topics under discussion.
- A **News Links** page dedicated to promoting other websites carrying good quality news about current affairs in Israel and the Middle East.
- There's even a **Glossary of Terms** to help out with any Hebraic words that may be new to you.

Andy Jacobs, Shoresh'im's founder and web project manager said, "A lot of people are feeling really disenfranchised in the modern church. Not just in the UK, but in many nations. Our site aims to provide as many people as possible with a place to share their thoughts and stay informed about key issues affecting the world in which we live".

There's certainly a huge amount to get involved in and to keep people coming back to the site again and again.

### The Lakeland Florida Revival

Have your say...

 The current Lakeland revival or Florida Healing Outpouring is a current Christian revival, which began on 3 April 2008 when evangelist Todd Bentley of Fresh Fire Ministries was invited to Ignited Church in Lakeland, Florida by Pastor Stephen Strader.

Bentley was originally supposed to be in Lakeland for only five days but remained in Lakeland following the outbreak of many reported miracles of healing.

There has been controversy about the revival amongst members of the Christian community. Some sceptics have challenged the authenticity of the revival on the basis of the evidence put forward in the healing testimonies and sermon content.

For more background information on the Florida Revival, see [Wikipedia](#).

### "O God, Do Not Keep Silent"

Psalm 83 v 1

"O God, do not keep silent; be not quiet, O God, be not still. See how your enemies are astir, how your foes rear their head. With cunning they conspire against your people: they plot against those you cherish."

 Today is indeed a sad day for this nation. The families of Regev/Goldwasser finally have closure and are able to grieve, BUT we as a nation have "given way before the wicked" as Proverbs 25:26 says.

One could also quote verse 21 "If your enemy is hungry, give him food to eat; and if he is thirsty, give him water to drink; for you will heap burning coals upon his head, and the Lord will reward you." Either way the feeling here is depressing to say the least.
